

PRAGMATIC
INSURANCE BROKING
SERVICES PRIVATE LIMITED

CORPORATE PROFILE

Pragmatic Insurance Broking Services Private Limited is one of the fastest growing Insurance Broking and Risk Management Company.

Brief Profile

We are Direct Brokers (General) under IRDA Broking Regulations, vide License No 576 and we are Independent Intermediary, representing the policyholders and their interests. Our Corporate office is located at Hyderabad with branches in Guntur, Vizag and Pune.

We are a professional organization with dedicated team of qualified Insurance professionals, Risk Engineers, Chartered Accountants and specialized Management Graduates to serve various Insurance and Risk Management requirements of clients.

We provide world class services in Insurance Advisory & Broking, Risk Management & Risk consulting, Claims Management and End to End Insurance Solutions to individuals, businesses, corporate, organizations and government entities.

Personalized/Tailor made Products & Services

Pragmatic Insurance Broking Services is unique in that we offer personalized and tailored service to ensure all our client's needs are met. We understand that businesses are busy with their day-to-day activities and need an insurance broker they can rely on, one that can handle their risks.

We value ourselves as an extension of our client's business and therefore work closely with our customers to deliver the right package on time and on budget.

We place business of clients with an insurer and arrange the most comprehensive and appropriate protection that suits your requirements. We shop around, provide advice, arrange the insurance and help with claims. We save your time, money and worry. Insurance is a wasted purchase if it doesn't provide cover when disaster strikes. We also solve the problems of under Insurance problems, by giving the right advice.

Vision

We have established a service team comprising insurance professionals with relevant industry expertise and hands-on experience on direct insurance requirements.

Our service team has undergone comprehensive training (as has the mandatory regulatory approval) to provide professional services to clients.

Our focus is to fulfil the risk and insurance needs of large and mid-sized corporate and public entities.

VISION:

To be a world class, innovative, competitive and technical Insurance Advising, Risk Management and Insurance Broking house providing total insurance solutions.

MISSION:

To provide financial protection to Individuals, Businesses, Corporates, Organizations & Government entities by offering insurance products and services.

T. WILSON

SENIOR VICE PRESIDENT

Technical specialist in handling mega policies of major corporate clients. Possess vast experience in underwriting, risk management and claims handling of Mega policies. Immense experience in designing the insurance policies for the projects relating to Airports, Aircrafts, Power, Roads, Dams, Tunnels, Construction and Engineering policies. Has the reputation and recognition for retaining the major clientele policies for continuous successive years for the company. Mr. Wilson is second to none in terms of exceptional service. Worked for three decades with M/s United India Insurance Company in various capacities and as Regional Manager in the last assignment. In his career spanning 30 years with United, Mr Wilson handled huge premiums of corporate clients and worked with great enthusiasm to retain the clients with the company.

SERVICES

We work with all the General Insurance Companies in India (both Public and Private Sector) and place the business with your preferred Insurer. We obtain Quotations from all the major companies, examine and negotiate for the best terms. We endeavor to undertake the following services to the clients:

RISK MANAGEMENT:

We undertake to visit and carry out necessary risk inspections of the insured properties to critically evaluate the risk before we advise the products. We ensure Total Risk Management without giving any scope for Under Insurance and also to ensure all perils are covered.

We not only assess the risk for rating purposes but also suggest and recommend the insured, on various improvements in the risk which will attract favorable premium and what is more important, to mitigate the loss potential.

UNDERWRITING MANAGEMENT

UNDERWRITING MANAGEMENT:

As per the insurance requirements of the client, we suggest to take the adequate protection, so as to ensure that nothing is left unprotected as per the Risk Management Report.

We take the quotations from the Insurance Companies and place the business with them. After obtaining the policies we scrutinize the documents (policies) and check the coverage whether or not, the same is in accordance with the requirement of our clients.

Necessary corrections are made, in case of discrepancy in the documents and delivered to the clients. We advise all measures to protect the financial interest of the insured in the subject matter of insurance.

CLAIMS MANAGEMENT

CLAIMS MANAGEMENT:

Claims management is one of the key focused area where we will step in, to understand the cause of loss, advice loss prevention measures and represent the insured with the insurance company. An Operations Research team will be formed to visit and examine the loss.

We assist the client right from the intimation of the claim, submission of relevant claim documents to the Insurance Company and pursue with them till the claim is settled to the satisfaction of the client, keeping in view of the terms, conditions etc. of the policy in which the claim is preferred.

We assist to place insured in the same financial position as far as possible, as he occupied immediately before the loss.

CUSTOMER SERVICE

CUSTOMER SERVICE:

We work as a vital link between our clients/ insured and the Insurers and to place our clients in a win-win situation, at all times.

Our services includes renewal management of the insurance policies of the clients, revise the sum values wherever required and analyze the coverage pattern and obtain better quote from the insurance companies.

We provide “after sale service” to the clients and in case of any change to be incorporated in the policies, during the currency of the policy. To pursue the claims and follow up with the insurer till the claim is settled.
